

IGC Dorel Pty Ltd—Mother's Choice Kensington Cot

PRA number: 2009/10717

Date created: 8th April 2009

Product information

Product description

Model number ICO16IG01. The cot was sold exclusively through Kmart stores between March 2007 and December 2008.

What are the hazards?

Strangulation.

What are the defects?

Some of the slats on the dropside may have weakened over time and in a worse case scenario, this may cause the vertical slats in the dropside to separate creating a safety hazard.
