

# IKEA Pty Limited—IKEA LEOPARD High Chair

*PRA number: 2009/11319*

*Date created: 23<sup>rd</sup> December 2009*

## Product information

### Product description

This recall involves all colours of the LEOPARD highchairs sold as a seat and a frame individually. The seat and tray has an adhesive label fixed to the underside with the words LEOPARD and "Made in Italy", an eight digit article number and a five-digit supplier number.

### Identifying features

na

### What are the hazards?

Fall/choking.

### What are the defects?

Snap locks that secure the seat to the frame may break, making it possible for the seat to drop through the frame.
